FOR YOU AND YOUR WEDDING PARTY

## SEMINAR

Dr. Petropoulos will be demonstrating the EndyMed 3 Deep skin tightening and Vanquish no-touch Fat Melting procedures in a complimentary informational seminar and will also be featuring the non-invasive "Liquid Face Lift" on Thursday, April 10th at 6:00 pm at The New England Facial Cosmetic Surgery Center, 80 Lindall Street Suite 2, Danvers MA 01923, 978-739-9500. Space is limited. RSVP required to [frontdesk@classicface.com](mailto:frontdesk@classicface.com).

*Whether you are the bride to be, or the mother of the bride or a wedding guest, let us help you look your best!*

*Enjoy a new glow and the way light reflects or bounces off your cheeks!*

The FDA just approved *Voluma*, a proprietary and revolutionary, cross linked hyaluronic acid gel that has been used world wide since 2005; the only substance approved to provide a lift in the midface, lasting 2 years with optimal correction.

This will help restore volume loss and lift sagging cheeks that occur with aging.

Dr. Petropoulos, a Board Certified Facial Plastic Surgeon, recognized as a national expert in facial contouring using natural injectable fillers, is the first on the North Shore to be given Voluma from the manufacturer, Allergan, before it was commercially available, to use as an additional option for creating youthful facial contours with immediate results!
