Dr. Anna Petropoulos specializes in the most advanced and innovative aesthetic surgery and non-surgical cosmetic treatments available today. Double board-certified by the American Board of Facial Plastic and Reconstructive Surgery and the American Board of Otolaryngology, Head and Neck Surgery, Dr. Petropoulos is the Medical Director of renowned New England Facial and Cosmetic Surgery Center located on Boston's North Shore. Over the last fifteen years, she has been maintaining the beauty, freshness, and youthfulness of her New England patients, as well as that of international patients from Europe, Hong Kong, and Dubai.

She completed residencies in Head and Neck Surgery with two additional formal fellowships in Facial Plastic Surgery at Harvard and Ottawa Universities. Dr. Petropoulos is also a Fellow of the American Academy of Cosmetic Surgery and the Royal College of Surgeons.

Given her reputation and expertise in creating natural and harmonious results with non-invasive rejuvenation techniques, Harvard-trained Dr. Petropoulos is one of the few physicians in this country named as a National Education Faculty member for the Artistry in BOTOX™ cosmetic treatments and also in Facial Contouring using natural facial filler substances (Voluma, Juvederm® XC, Radiesse®, Belotero and Sculptra®) for the maintenance and creation of youthful facial contours. Dr. Petropoulos prefers to use non-invasive techniques whenever possible and only resorts to surgical options if absolutely necessary.

Being a leader and innovator in the aesthetic field, Dr. Petropoulos is a sought after speaker at national medical conferences (e.g. The American Society of Plastic Surgery Annual Meeting, The Global Aesthetics Meeting, and The American Academy of Cosmetic Dermatology Meeting in 2015 alone), she has co-authored a book chapter on radio frequency for aesthetics and has published scientific articles in peer reviewed medical journals, as well as securing several research grants and a National Institute of Health Fellowship.

Dr. Petropoulos enjoys taking the time to form a true connection with her patients, becoming a trusted partner in the enhancement and ongoing maintenance of their natural beauty. Through her lifelong cultivated interest in aesthetic classic beauty, her impressive credentials, artistic eye, and caring personality, along with her feminine touch, Dr. Petropoulos achieves pleasing, harmonious and natural results, softening the signs of time. Join her family of patients and trust your face to a specialist who understands Classic Beauty.
